

THE BRIEF

Wine: Chardonnay

Wine Descriptive Words: depth; direct; full bodied; sweet;

Actual Description Supplied: This wine is about me so it's hard to be objective. I am an ironing lady and this wine is for my clients as a thank you Christmas gift (for cash in hand work!!). I want it to be amusing. I'm a big girl with a good heart. People say I'm a know-all (in a good way) and I like to talk a lot (I seem to find plenty who'll listen though). My friends think I'm a bit long winded (not sure I should say that!!). I think I'm a fun person, always professional but not stuffy. My favourite colour is pink.

THE RESULT
